## SPEAKER BIOGRAPHIES

**STEPHEN L. THOMAS, CBO**

**President, Colorado Code Consulting, LLC**

Mr. Thomas has twenty-seven years experience in working with building codes including plan reviews, inspections and administration. His firm provides building code consulting services for governmental agencies and architectural firms, as well as educational seminars on building codes. Starting a building code-consulting firm in 1999, he now serves as the contract Building Official for Cherry Hills Village, Colorado. Mr. Thomas has served on several ICBO committees and currently serves as the Vice Chairman of the ICC Means of Egress Code Development Committee. He also is a member of the International Building Code Interpretations Committee for ICC. He has presented building code classes for the last 20 years and provides an interesting and engaging look at building codes.

**BOB EUGENE**

Bob Eugene joined Underwriters Laboratories Inc. in 1999 and currently works as Senior Staff Engineer. Prior to that, Bob spent 22 years in the City of Spokane Building Department, with the last nine as the Building Official. He has served on many ICBO committees including the Fire & Life Safety, Means of Egress Review and Occupancies Review committees. He also served on the ICC Fire Safety and General Committees and has taught numerous educational classes.

**DOUG THORNBERG**

Douglas W. Thornburg, AIA, CBO, is currently Director of Product Development for ICC. In this role, he provides leadership in technical development and positioning of support products for ICC. In addition, Doug develops and reviews technical products, reference books and resource materials relating to the I-Codes and their supporting documents. Other functions include serving as a technical expert on jointly developed products with other associations, acting as a technical liaison with outside authors/contractors, and providing oversight of quality control and technical peer review panels for ICC products. He also instructs seminars nationally on the International Building Code.

**SHAWN REEDER, PE,**

Shawn leads the team at Performance Engineers. He holds a B.S. in Civil Engineering from Utah State University and a MBA from Northwest Nazarene University. Shawn holds many engineering licenses and has worked in over 12 states, and has over 16 years of structural engineering experience where he has encountered a wide variety of challenging environmental conditions. Performance Engineers is part of the InteFrame network of companies, which provides design frame integrated services in the northwest. Shawn is in charge of the engineering responsibilities for these companies as well as lends common understanding of trusses on many levels. Shawn is very active with the Structural Engineering Association of Idaho and has held offices of Treasurer, Vice-President, President and Past President in recent years.

## VENDOR BOOTH INFORMATION

When new products appear on a job site, building officials are inclined to ask hard questions. This trade show provides you with an opportunity to meet with building officials, architects, engineers and other building professionals and familiarize them with your products, before the design, plan review, or inspection begins.

Sponsored by the **Idaho Association of Building Officials**, the trade show will be held January 31st & February 1st, 2012, in conjunction with the Education Institute. This is an annual training event attended by over 150 building officials and professionals each year. This year we will continue the Tradeshow Reception where you will gain full attendee exposure for an hour and a half while enjoying hors d'oeuvres, drinks and entertainment!

*Your participation as an IDABO exhibitor and/or Education Institute sponsor is welcome!*

*We look forward to your participation and the opportunity to learn about your products!*

### ASSIGNMENT OF SPACE

Booth space is on a first come first served basis. Booths are 8x10, piped and draped and includes one table and 2 chairs. Electricity is available. Exhibit space will be locked nightly. Conference meals will be served in the vendor lobby.

### EXHIBITOR BOOTH PERSONNEL

Each non-sponsor exhibiting company is entitled to two complimentary registrations. If your company requires more booth personnel passes than provided, you must purchase additional registrations. Please list all delegates on the Sponsorship/Vendor Booth contract on the next page and supply an email for each. Badges must be picked up onsite at the IDABO registration desk. As a courtesy to Institute attendees and fellow exhibitors, all exhibiting companies are expected to open their booths promptly and staff them through required times.

### VENDOR BOOTH RESERVATIONS

Vendors should use the Sponsor/Vendor Booth Contract included in this brochure to reserve a vendor booth. The Sponsor/Vendor Booth Contract must be completed and accompanied by payment. Booth reservation will not be processed until the required paperwork and payment is received. Please send contract to the IDABO office at P.O. Box 8224, Boise, Idaho, 83707. Fax: 208-321-4819, e-mail: [tottens@amsidaho.com](mailto:tottens@amsidaho.com)

### INSTALLATION OF DISPLAYS

Exhibit materials may be shipped no earlier than 24 hours prior to the conference to the Shilo Inn, Idaho Falls. The materials must be marked "**IDABO Education Institute Jan. 30th**" and include the name of the booth representative. The shipping address is 780 Lindsay Blvd., Idaho Falls, 83402.

### DISMANTLING OF DISPLAYS

The deadline for removal of all materials from the exhibit hall is 5 pm on Wednesday, February 1st. It is the responsibility of each exhibitor to have materials packed, identified and cleared by the appropriate time. IDABO reserves the right— with no liability for damage, spoilage or loss— to dismantle, dispose of, or store or clear from the premises any display material, goods, property or merchandise of an exhibitor who has failed to comply with the removal requirements.

### TRADESHOW HOURS
