It is understood that this agreement may be terminated by me at any time by written notification to the City or Bank. Any such notification to the City shall be effective only with respect to entries initiated by the City after receipt of such notification and a reasonable opportunity to act on it. Any such notification to Bank shall be effective only with respect to entries debited to my account by Bank after receipt of such notification and a reasonable amount of time to act on it. It is understood that all debit entries initiated by the City pursuant to this agreement shall be subject to the following provisions:

1. If the amount of an entry to be initiated by the City differs from that of the next previous entry initiated pursuant to this agreement, the City shall, within not less than seven calendar days before such succeeding entry is to be debited to the Customer's account, send to Customer written notification of the amount of such entry. Similarly, if any change is made by the City in the date of the billing cycle on or after which such entries are to be debited to such account, the City shall, within not less than seven days before the first entry to be affected by such change is to be debited to such account, send to the Customer written notification of the new date on or after which such entries are to be debited to such account. The provision will not apply if the Customer has authorized the initiation of a single entry to his account or if the Customer has agreed that entries representing indebtedness to his account may be debited at any time after the indebtedness is incurred.
2. Customer may by notice to Bank stop payment of any entry initiated or to be initiated by the City to Customer's account pursuant to this agreement but such notice must be received by Bank in such time and in such manner as to afford Bank a reasonable amount of time to act on it. An oral notice shall be binding on Bank only for 14 calendar days unless confirmed in writing within that period.
3. If an entry is erroneously initiated by the City to Customer's account, Customer shall have the right to have the amount of such entry credited to such account by Bank if within 15 calendar days following the date on which Bank sent or made available to Customer a statement of account or notification pertaining to such entry, Customer shall send or deliver to Bank a written notice identifying such entry, stating that such entry was in error and requesting Bank to credit the amount thereof to such account.
