## **IFPD Warns Against Possible Scammers**

The Idaho Falls Police Department is issuing a warning to the public about possible scammers coming to Idaho Falls.

The IFPD received information today from the Bozeman (Mont.) Police Department that a group running a fraudulent traveling paving business in their area was said to be headed toward Idaho Falls.

Bozeman Police said this group is known to work door-to-door in neighborhoods offering driveway paving services, but don't render agreed or negotiated services.

Residents are advised to be cautious if solicited by door-to-door salespeople. It's recommended that residents patronize local businesses.
