I.F. Chief Launches New Blog Site

Idaho Falls Police Chief Steve Roos is taking community relations to a new level – he’s blogging.

The Idaho Falls Police Department is proud to announce the launch of idahofallschief.blogspot.com. The public can now look forward to logging on and following Roos’ blog as he shares first-hand insights, facts, antidotes, pictures and video about the city’s police force.

“This blog is a way to share my thoughts as well as the cool things that happen behind the scenes,” Roos said. “It’s also an opportunity for me to set the record straight.”

The public is encouraged to follow Roos’ blog each week as it’s updated with posts at least twice a week – sometimes more.

Be sure also to continue following the IFPD on Facebook and our website, idahofallsidaho.gov, as we share the latest news and crime prevention tips.
