## **IFPD Issue Warning Regarding Door-to-Door Sales Groups**

The Idaho Falls Police Department is issuing a warning to all residents to use caution if approached by a door-to-door salesperson.

Officers have received several complaints in the last couple of weeks regarding various door-to-door sales groups in the area. Some of these company representatives have been known to commit serious crimes while attempting to make a sale.

The IFPD advises that no one allow any salesperson into their home. It is also recommended that residents use caution in purchasing any items from these groups.
