For purposes of a special presentation to Municipal Judge William Black, the Mayor invited District Judge Boyd Thomas, Attorney Vern Kidwell and Attorney William Furchner from Blackfoot, Past President of the 7th District Bar Association, to take seats around the Council Table. Acting as spokesmen, Mr. Kidwell explained that the American Bar Association had been engaged in a program of traffic court improvement and progress and had recently completed a contest with entries invited from all cities. Mr. Kidwell explained that Judge Black had entered the local municipal court in the contest and that there were seven detailed criteria that were judged, all having to do with fairness and equity in the local courts. Kidwell then announced that the Idaho Falls Court had been honored by being awarded Second Place, nationally, within the 25 to 50 thousand population category. Judge Black was then called forward to receive the Second Place Award for Traffic Court Improvement from the American Bar Association for 1967-1968. Judge Black then accepted the award with an expression of thanks and gratitude for the cooperation received from his staff, the Police Force and all City Officials.

Representing the Idaho Falls Junior Chamber of Commerce, Messrs. William Clagett and Dennis Dykstra appeared before the Council. Acting as spokesman, Mr. Dykstra proposed a flag project whereby, working with local merchants, his civic organization would be responsible for placing flags on parking meters in front of all participating businesses on all holidays where flags are appropriate. TO: Honorable Mayor and City Council
FROM: Donald F. Lloyd, P.E.
SUBJECT: HART PONTIAC BUILDING (ORDINANCE 9-1-11)

The proposed development of Hart Pontiac is located on the west side of Holmes Avenue between Briggs and Coltman Streets. They are requesting curb cuts in excess of the requirements of City Code. We have reviewed this request in detail with the Public Works Committee and because of circumstances involved, we would recommend to the Council authorization for the City Engineer to allow a variance for curb cuts.

City Hall
City of Idaho Falls

Gentlemen:

Joseph Owen Benzon, Electrician for Building Maintenance

Benzon is the electrician with the Building Maintenance Department and was hired on June 4, 1967. Through his previous work he had accumulated an equity in a union retirement plan. However, in order to receive any benefit (about \$70 per month for life) he would be required to complete 300 additional working hours under the auspices of a union shop. Normally 300 hours would require slightly less than 2 months time.

Benzon is filling a key roll in Building Maintenance and does not want to jeopardize his job with the City. We would suggest you consider a 3 month leave of absence for obtaining this special retirement benefit.

Respectfully submitted,
s/ Don F. Lloyd, P.E.

It was moved by Councilman Parish, seconded by Erickson, that the leave of absence be approved for the reasons as indicated. Roll call as follows: Ayes, 5; No, none; carried.

The Mayor presented the written resignation of Carl Hiaring as Pound Master, effective October 11, 1968. No further Council action was considered necessary.

Personnel Director Chapman appeared before the Council with reference to the building on Sacred Heart Hospital property in need of razing. He said there is a volunteer group offering their free services to the City for unskilled work and, if it is found unsafe or impractical to remove the building by burning, said group may be available for its razing by other means.

Chapman then drew the Council's attention to City Custodian Lawrence Gardner who has asked for a further extension to his retirement to August 1, 1969. It was moved by Councilman Parish, seconded by Wood, that this request be approved. Roll call as follows: Ayes, 5; No, none; carried.

City Attorney Smith submitted an ordinance and an agreement for the exchange of land between the City and the State of Idaho, accompanied by a warranty deed in favor of the City, signed by the Idaho Board of Highway Directors and also a warranty deed in favor of the State, yet to be signed by officials of the City and the State. It was understood that the City Attorney, working with the Engineering Department, had been negotiating on said exchange for several months. It was understood, further, that the property to be received from the State contained approximately six acres, that the property to be conveyed to the State contained approximately nine acres, that the value of the respective properties were deemed by the City and the State to be approximately equivalent, that the property to be received by the City was a portion of the SE $\frac{1}{4}$ of the SW $\frac{1}{4}$ and the SW $\frac{1}{4}$ of the SE $\frac{1}{4}$ of Section 13, Township 2 North Range 37 East, Boise Meridian and that the property to be conveyed to the State was a portion of the NW $\frac{1}{2}$ of the NW $\frac{1}{4}$ of Section 13, Township 2, North, Range 37, East, Boise, Meridian. In this connection the City Attorney introduced the following Ordinance:

ORDINANCE NO. 1228

AN ORDINANCE AUTHORIZING THE CITY OF IDAHO FALLS TO EXCHANGE A PARCEL OF LAND OWNED BY THE CITY FOR A PARCEL OF LAND OWNED BY THE STATE OF IDAHO; PARTICULARLY DESCRIBING THE PARCELS OF LAND INVOLVED IN THE EXCHANGE; PROVIDING WHEN THE ORDINANCE SHALL BECOME EFFECTIVE.

The foregoing Ordinance was presented in title. It was moved by Councilman Parish, seconded by Smith, that the provisions of Section 50-902 of the Idaho Code requiring all ordinances to be fully and distinctly read on three several days be dispensed with. The question being, "SHALL THE PROVISIONS OF SECTION 50-902 OF THE IDAHO CODE REQUIRING ALL ORDINANCES TO BE READ ON THREE SEVERAL DAYS BE DISPENSED WITH?" Roll call as follows: Ayes, 5; No, none; carried. The majority of all the members of the Council present having voted in the affirmative, the Mayor declared the rule dispensed with and ordered the ordinance placed before the Council for

final consideration the question being, "SHALL THE ORDINANCE PASS?" Roll call as follows: Ayes, 5; No, none; carried.

It was then moved by Councilman Parish, seconded by Smith, that the Mayor and City Clerk be authorized to sign the agreement for the exchange of land in question and the warranty deed in favor of the State and the City Attorney be authorized to complete all legal negotiations in this regard. Roll call as follows: Ayes, 5; No, none; carried.

Inasmuch as Mr. Jack Young has retired from School District #91, the Mayor appointed Mr. Jay Casper to fill Mr. Young's un-expired term as a member of the City Recreation Commission with the understanding that Mr. Young remain on the Commission as an ex-officio member. It was moved by Councilman Erickson, seconded by Wood, that this appointment be confirmed and that approval be granted for Mr. Young to remain on the Commission as an ex-officio member. Roll call as follows: Ayes, 5; No, none; carried.

The Mayor then appointed Mr. W. D. Miller to fill the un-expired term of the late Mr. L. E. Erickson as a member of the Planning Commission with the understanding that this will temporarily create a vacancy in the membership of the Board of Adjustments of which Mr. Miller was a member. It was moved by Councilwoman Smith, seconded by Councilman Nelson that this appointment be confirmed. Roll call as follows: Ayes, 5; No, none; carried.

The Mayor drew attention to certain City-owned property, of no value to the City, legally described as follows:

It was generally agreed that this property be sold. It was moved by Councilman Nelson, seconded by Councilwoman Smith that this be referred to the City Attorney with instructions to prepare an appropriate ordinance for Council consideration. Roll call as follows: Ayes, 5; No, none; carried.

The Mayor announced that one of the purposes of the meeting was the canvas of the returns of the Special Bond Election held in the City on October 8, 1968, pursuant to the provisions of Ordinance No. 1223 adopted on September 5, 1968.

The City Clerk then presented to the Council the returns of the election on the proposition from each voting place, the ballots cast at the election and all other pertinent data. The City Council thereupon proceeded to canvass the results of said election and to incorporate their findings and
