This memo from the Police Chief was read:

May 14, 1963
MCJ-162-63

TO: Honorable Mayor and City Council, City of Idaho Falls
FROM: Milton C. Jones, Chief of Police
SUBJECT: PURCHASE OF POLYGRAPH

In accordance with Directive MC-1 the following is submitted for your review and disposition. It is requested that the following equipment be purchased as soon as possible for the Police Department.

1 Polygraph	\$1,175.00
1 Examiners Chair	97.50
1 Subject's Chair	132.50
1 Desk	<u>225.00</u>
Subtotal:	\$1,630.00
Less Trade-In	<u>300.00</u>
	\$1,330.00

As you are aware, Lt. Pollock is at the present time attending the Keeler Polygraph School in Chicago. He took with him our old machine for examination to see if it was in working order and if not what would be involved in placing it in good working condition.

I have been advised by Lt. Pollock, that the machine was checked by Mr. Van De Werken from Associated Research and there were three alternatives:

1. They could take the machine down and repair it. (Could give no estimate without first tearing it down).

MAY 14, 1963

2. Could make a conversion for \$325.00 (The instrument would still have basically all the old parts).
3. Would allow \$300.00 trade in for it on the 6303.

Lt. Pollock also advised that the old instrument is obsolete and recommended trading it in. In view of the inspection of the machine by the factory representative, Lt. Pollock's recommendation and my past experience with old equipment, I recommend purchasing the new instrument.

Although this item was not budgeted for in the 1963 budget, it is felt that by sacrificing and transferring the following funds monies could be made available.

1.	4311-30.4	Professional & Technical Service	\$ 500.00
2.	4310-54.2	Ansul Fire Ext.	295.00
3.	4310-54.2	Typewriter	200.00
4.	4310-54.2	Typewriter Stand	25.00
5.	4310.52	Building Service Section-Remodel Lower Jail	<u>310.00</u>
			\$1,330.00

Your early consideration of this request would be appreciated.

Respectfully submitted;
s/ Milton C. Jones
Chief of Police
