"Idaho Falls, Idaho
December 11, 1937

To Honorable Mayor and City Council
Idaho Falls, Idaho:

We, the undersigned are eager to obtain employment that we may care for ourselves and those dependent upon us.

The Roach Seed Company officials promise to furnish us employment picking pear for them if they can but have sewer and lavatory service, but state they are dependent upon the

City of Idaho Falls to furnish sewer service for them. Unless we can obtain employment to help us live through the winter, we will be compelled to ask the City of Idaho Falls to render

DECEMBER 10, 1937

help to us. There are many besides ourselves who will be benefited by obtaining employment with the above named company. We want work, not charity. The above named company guarantees to furnish employment for 51 female workers and several additional male laborers, and we are certain every place they can offer will be taken.
