

SEPTEMBER 19, 1985

The City Council of the City of Idaho Falls, Idaho, Bonneville County, Idaho, met in regular public session at the regular meeting place of the City Council in the Council Chamber, 140 South Capital Avenue in the City of Idaho Falls, Idaho, at 7:30 o'clock P. M. on September 19, 1985.

Prior to calling the meeting to order, Mayor Campbell called upon Justin Hall from Cub Scout Pack No. 3 to come forward and lead all those present in the Pledge of Allegiance to the flag.

The roll was called and the following were found to be present: Mayor Tom Campbell; Councilmen Arthur R. Chandler, Jr., Paul L. Hovey, Sam S. Sakaguchi, and Ralph M. Wood. Absent: Councilmen Wesley W. Deist and Melvin L. Erickson. Also present: Velma Chandler, City Clerk, Dale Storer, City Attorney, and all available Division Directors.

A summary of the minutes of the last Regular Council Meeting, held September 5th, 1985, were read and approved.

Several Cub Scouts from Pack No. 3 appeared and presented \$13.68 to the Mayor as a donation to be used at the Zoo. They explained that members Pack No. 3 had cleaned debris from the roadway at Sand Creek Park and a lady from a posse had paid them this amount for their work. They said they wished to donate it to the Zoo for improvements to be made there. Mayor Campbell thanked these scouts for their contribution.

Mayor Campbell then invited City Employee Retiree Jack Lance to come forward to the Council Table. The Mayor gave a resume' of Jack's employment with the City Fire Department, said the City would miss Jack, but wished him many years of enjoyment. The Mayor then presented him with an inscribed gold watch, after which Jack received a congratulatory handshake from all City Officials around the Council Table and a round of applause from all those present in the Council Chamber.

The Mayor then declared open a public hearing to consider the de-annexation of the Idaho Falls Consolidated Hospital Addition and called upon Councilman Wood to conduct the hearing. At the request of Councilman Wood, the City Clerk read the following explanatory memo from the City Planner:

City of Idaho Falls
September 18, 1985

MEMORANDUM

TO: Mayor and City Council
FROM: Rod Gilchrist, Planning and Building Director
SUBJECT: DE-ANNEXATION OF IDAHO FALLS CONSOLIDATED
HOSPITAL ADDITION

Attached is a copy of a De-annexation Ordinance for the above-described property. This property is located at the southeast corner of the intersection of Holmes Avenue and 25th Street extended. This property was originally annexed to the City, platted and zoned R-3A to provide for the construction of a new hospital facility.

At this time, there appears to be no plans for construction on the parcel, and the Planning Commission has recommended de-annexation of the property. This Department concurs with that recommendation and the matter is now being submitted for your consideration.

s/ Rod Gilchrist

SEPTEMBER 19, 1985

Councilman Wood then invited anyone present who wished to speak in opposition to this de-annexation to be heard at this time. No one appeared, therefore, the following captioned ordinance was presented:

ORDINANCE NO. 1802

AN ORDINANCE EXCLUDING CERTAIN LANDS FROM THE CITY OF IDAHO FALLS, IDAHO; PARTICULARLY DESCRIBING SAID LANDS; ORDERING THE FILING OF A CERTIFIED COPY OF THIS ORDINANCE WITH THE COUNTY RECORDER; PROVIDING WHEN THE ORDINANCE SHALL BECOME EFFECTIVE. (DE-ANNEXATION OF IDAHO FALLS CONSOLIDATED HOSPITAL PROPERTY)

The foregoing ordinance was presented in title. It was moved by Councilman Wood, seconded by Chandler, that the provisions of Section 50-902 of the Idaho Code requiring all ordinances to be fully and distinctly read on three several days be dispensed with, the question being, "SHALL THE PROVISIONS OF SECTION 50-902 OF THE IDAHO CODE REQUIRING ALL ORDINANCES TO BE READ ON THREE SEVERAL DAYS BE DISPENSED WITH?" Roll call as follows: Ayes, Councilmen Hovey, Sakaguchi, Wood, and Chandler; No, none; carried. The majority of all the members of the Council present having voted in the affirmative, the Mayor declared the rule dispensed with and ordered the ordinance placed before the Council for final consideration, the question being, "SHALL THE ORDINANCE PASS?" Roll call as follows: Ayes, Councilmen Hovey, Sakaguchi, Wood, and Chandler; No, none; carried.

Mayor Campbell then declared open a public hearing to consider the annexation of Sunnyside Estates, #2 and called upon Councilman Wood to conduct the hearing. Councilman Wood asked the City Clerk to read the following memo from the City Planner:

City of Idaho Falls
September 18, 1985

MEMORANDUM

TO: Mayor and Council
FROM: Rod Gilchrist
SUBJECT: FINAL PLAT, ANNEXATION & INITIAL ZONING - SUNNYSIDE ESTATES, #2

Attached are copies of the final plat, annexation agreement and ordinance for the above described property. This is approximately a 6 & 1/2 acre annexation which would be located on the south side of Sunnyside Road and east of Sunnybrook Lane extended.

The Planning Commission recently considered this request and at that time, recommended approval of the final plat, annexation to the City and initial zoning of R-3A. This Department concurs with that recommendation and the matter is now being submitted for your consideration.

s/ Rod Gilchrist

SEPTEMBER 19, 1985

Councilman Wood then asked the City Planner to locate the subject property on a map on the wall and further explain the request.

Councilman Wood then invited those in favor of this proposed annexation and zoning to be heard at this time.

Mr. Dick Clayton appeared representing the owner of the property, Mr. Ivan Ashment. He said that the owner has originally requested and received permission from the Planning and Zoning Commission to zone this property R-3A for a residential shopping center development. He said that, since that time, the owner has been approached to make way for a new building to house a free-standing psychiatric hospital.

Mr. Richard Frith, representative of HSA West, appeared and asked for local and Federal Health Agency support of this proposal so that they could break ground and begin the project this Fall.

Mr. Frith, Dr. John Casper and Dr. Dean Ackley presented argument as to the advantages of having this proposed facility. Their remarks were met with fears and opposition from Dal Freeman, Carol Hofhimes, Roger Tall, Gary Holman and Janet Cole. These residents said that they did not want the mental health center in their residential area. Dr. Casper stated that these mental patients are walking on the streets right now and it would be better to have them in a hospital. Casper told the group that there is no adequate psychiatric center in Idaho Fall for in-patient treatment, and clients would be treated for illnesses related to depression, stress and inability to cope. He said few people would have psychiatric disorders that would be a danger to the community.

The hospital would draw from as far as Salmon, West Yellowstone, Montana and Jackson, Wyoming, he said.

Officials with Eastern Idaho Regional Medical Center plan to open a 28-bed psychiatric unit on the fifth floor of Riverview facility in mid-October, and interest in an in-patient center mounted only after HSA West announced its plans, Casper said. The two services would create a competitive atmosphere, he said, but he believes there is enough of a need to support both treatment centers.

The audience pressed Frith for answers about security, and he said the exterior of the building would have doors with locks on the inside and out, and staff would be trained to work with the mentally ill. There also would be locked rooms for the physical management of some patients, he said.

The ideal location for the center is near the new EIRMC because it lends itself to better and safer medical care and is more convenient for doctors, Frith said.

Ackley pointed out that the more dangerous mental health patients are now housed at Parkview Hospital, which is located in the middle of a densely populated area.

The audience, however, remained unconvinced, and said the center's governing board could alter the hospital's function at any time.

Carol Hofhimes, 3267 Merlin Dr., said there were too many "possibles, maybes, and could bes".

"You might as well put the scarlet letter on our neighborhood if you're going to do that," she told the Council.

Mr. Rex Meikle appeared briefly and asked for a standing roll call as to who opposed this proposal. Mayor Campbell said that the Council was not interested in an argument, just the facts, so that they could make a decision whether to annex and zone the property or not.

It was then moved by Councilman Wood that this request be denied. This motion died for lack of a second. There was no other motion made, therefore, Attorney Storer stated that the request would not carry. The Mayor declared the hearing adjourned.

SEPTEMBER 19, 1985

Mayor Campbell then declared open a public hearing to consider the annexation of a parcel of ground known as the Munger property, and called upon Councilman Wood to conduct this hearing also. At the request of Councilman Wood, the City Clerk read this explanatory memo from the City Planner:

City of Idaho Falls
September 18, 1985

The Planning Commission recently considered this request and at that time, recommended the property be annexed to the City and zoned R-1. This Department concurs with that recommendation and the matter is now being submitted for your consideration.

s/ Rod Gilchrist

There was no one who wished to speak either for or against this request. It was moved by Councilman Wood, seconded by Chandler, that the annexation agreement be approved and the Mayor and City Clerk be authorized to sign. Roll call as follows: Ayes, Councilmen Hovey, Sakaguchi, Wood, and Chandler; No, none; carried.

ORDINANCE #1803

THE CITY OF IDAHO FALLS: DESCRIBING SAID
LANDS AND DECLARING SAME A PART OF THE
CITY OF IDAHO FALLS, IDAHO. (Annexation of
Joshua & Carol Munger Property)

The foregoing ordinance was presented in title. It was moved by Councilman Wood, seconded by Chandler, that the provisions of Section 50-902 of the Idaho Code requiring all ordinances to be fully and distinctly read on three several days be dispensed with, the question being, "SHALL THE PROVISIONS OF SECTION 50-902 OF THE IDAHO CODE REQUIRING ALL ORDINANCES TO BE READ ON THREE SEVERAL DAYS BE DISPENSED WITH?" Roll call as follows: Ayes, Councilmen Wood, Chandler, Hovey, and Sakaguchi; No, none; carried. The majority of all the members of the Council present having voted in the affirmative, the Mayor declared the rule dispensed with and ordered the ordinance placed before the Council for final consideration, the question being, "SHALL THE ORDINANCE PASS?" Roll call as follows: Ayes, Councilmen Wood, Chandler, Hovey, and Sakaguchi; No, none; carried.

SEPTEMBER 19, 1985

The initial zoning of the newly annexed area was then considered. There being no question nor comment, it was moved by Councilman Wood, seconded by Chandler, that the initial zoning be established as R-1 and that the comprehensive plan be amended to include the area annexed herewith, and that the City Planner be instructed to reflect said annexation, zoning and amendment to the comprehensive plan on the comprehensive plan and zoning maps located in his office.

This memo from the City Planner was then read:
