- Cindy discussed potential dates for the Japanese visit to Idaho Falls
 - Current preference is to come September 29 or 30th through October 8th. (Summer is difficult in 2020 as Japan is hosting the Olympics making travel very expensive)

Idaho Falls Sister City Meeting Minutes

Monday, March 16, 2020

Members in Attendance: Cal & Cindy Ozaki, Isoke & Reggie Fuller, Val Haddon, Sherry Scott, Roger Scott, Brad & Michelle Cramer, Kevin & Joan Fuhrman, Edward & Cheryl Zaladonis

Guest: None

Minutes: Approved as amended.

Treasurer's Report: Beginning balance on 03/16/20 - \$13,416.59. Ending balance on 3/16/20 - \$13,606.59. Treasurer's report approved as submitted.

Business:

- Cindy shared information about the Minidoka relocation center. They are trying to raise 30,000 to create a visitor center. Cindy read a report from Clark about the center. There is a 30-minute video available to watch there, but everything else at the center is closed. It was recommended to Cindy that we don't take the delegates to Minidoka.
- Cindy shared information about students from Idaho Falls who are studying World War II. They will be taking a tour of the relocation center April 29th, and there might be spots available to join them on the tour in exchange for help chaperoning the students. A few of our members attended last time the students went and really enjoyed the experience.
- No new information about the garden other than Edward stated that they have started some maintenance work on it.
- We discussed our presentation to City Council coming up on March 23rd. Reggie and Isoke prepared a PowerPoint highlighting activities we participated in during our visit to Tokai. Cindy encouraged members to attend and contribute thoughts about our experiences during the presentation. Cindy will send out an email to confirm a time for that day. Cindy commented on all the work and efforts that have been made in Tokai to create an event center constructed in American style. It has become a place people go and enjoy and where they display the gifts we have given them. She thought it would be nice to have a similar facility here that was patterned after the architecture that is in Tokai.
- We are still planning on the delegation visit and will plan and prepare accordingly. If the visit doesn't happen we will plan the same activities for their following visit.
- We discussed several ideas for an overnight trip while visiting Yellowstone. However, we are on hold gathering information due to the corona virus. Roger and Sherry will chair the over night stay planning.
- Cal discussed our financial plan trying to gather as much info as their committee can. He stated we have a large comfortable balance right now. Our balance varies depending on how much the City gives us, how much we fundraise and how many people we have. We need to decide how much carry over we want.

- We discussed about getting sponsors. The earlier we ask sponsors the better so the money hasn't already been allocated somewhere else. It would be great to have a fundraising committee so we can have more funds to cover things like lunches and dinners when the delegates come and it doesn't come out of our pocket. Joan will put together the amount we need for things like the garden, the youth dinner and stamps. Cindy will put together an invoice for the city of what we would like help covering, because each cost needs to be broken down for exactly what we need.
- We need to form additional committees. Over all planning committee: Brad and Reggie. Isoke said she'd help with fundraising and Val said he would help with transportation. We would like someone to chair the following committees: Gifts, Fundraising, Budget, Transportation, meals and activities. All members are encouraged to participate.

Student Exchange Information:

Some parents have emailed David Eaton and stated that they do not want to have their children go to Japan under the present conditions of the pandemic of Coronavirus. Whitney stated in her conversation with Haruka that she was asked if students from Idaho Falls will make a decision by the middle of April and let the Tokai-Muri group know if IFSCY will be traveling.

Whitney will contact Delta and ask if we purchase tickets how long we have before we can cancel.

Whitney St. Michel stated that she will look into the travel insurance costs.

It was suggested that if the group cannot go in July that we contact Haruka to ask if there is another time during the year the Idaho Falls students could travel.

Melinda Cebull stated that in the past students would have missed out on going. During the odd numbered year students from Tokai-Muri would travel here to Idaho Falls and in the even years (2022) Idaho Falls students would travel to Tokai-Muri.

Several students asked if the July trip were to be cancelled is there any way to reschedule the trip for another time of year possibly at our Thanksgiving break or the Tokai Muri's next break. Each

student has worked very hard during the past two years and would really like the opportunity to travel to Japan.

Fundraisers:

Cherry Blossom Festival

The Cherry Blossom Festival will be rescheduled for sometime in May. David will keep in touch with the owner of the Snow Eagle and will let the group know.

NEEDS: If you have baskets or donations for the Cherry Blossom Festival you may take them to Whitney St. Michel's house. Please give her a call at (208) 520-8368.

Students discussed finding ways to allow people to get gift cards.

Everyone please email Whitney St. Michel the donations you have.

Carter Thompson asked for the compiled list of donations and he'll work on putting the donations on the Raffle Copter site.

Garage Sale

Garage sale is postponed for now and may be cancelled.

Student Exchange to Japan

Whitney will be talking with the airline company to find out if the exchange does happen this year if the group can keep the reservation but move it to another time.

Tokai-Muri Board is taking under consideration if they want to have our students over this year. Whitney or Kendra will let us know the decision from the Tokai Muri Board.

Possible alternate routes have been suggested, such as a later trip or cancelling this year's visit and having the Idaho Falls students visit Japan next year.

The Board will need to meet to discuss if monies earned by each student over the past two years will be saved and designated for each student's travel to Japan in the future.

Planned Activities

Nathan Peck suggested that our group does a live interaction with Tokai-Muri students with a video call to Japan through Zoom. This would include an activity like Kahoot. Kendra Peck will try to schedule a time for this event.

Another activity for Idaho Falls students is to send a small video clip of how each student is using their time during the self isolation time caused by the pandemic. Please send your pictures or video clips to Carter Thompson who will edit them together then give them to Kendra, who will send them to the Tokai-Muri students. RE: CDBG PY2020 Funding Recommendations

Council Action Desired

- Ordinance Resolution Public Hearing
 Other Action (Approval, Authorization, Ratification, etc)

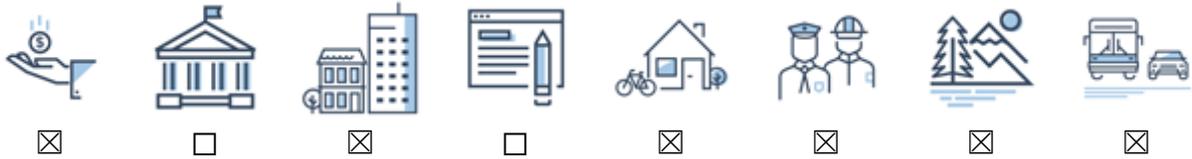

No action requested for the work session discussion

Description, Background Information & Purpose

On April 9, 2020 the City Council held a public hearing to consider requests for PY 2020 CDBG funding allocations. Normally, the next step in the allocation process would be a 30-day public comment period, followed by a Council work session discussion and then approval of a resolution outlining the funding allocations. With new guidance from the CARES act, the 30-day comment period was reduced to 5-days. Therefore, the discussion on recommendations will take place April 20th and the resolution presented to Council on April 23rd.

The attached document outlines the staff recommendation for funding allocations. This year the City received more money from HUD than there were requests for funding. Again, due to the CARES act, funding requirements have been adjusted, mainly that the 15% cap on Public Service category projects has been lifted. HUD has not adjusted the requirement to spend a minimum of 70% of the grant on requests that directly benefit Low-to-Moderate Income Individuals. Staff's interpretation of these rules is that LMI Benefit and Public Service projects are HUD priorities over the removal of Slum and Blight Categories. Following that interpretation, staff recommends fully funding all Public Service projects, increasing funding to LMI projects, and slightly reducing the Slum and Blight project category. Further details and reasoning for this recommendation will be explained at the work session.

CDBG Program Formulas for Allocating PY2020 Funds

Max allowed for Administration 20% or \$85,020
Max allowed for Public Service 15% or \$63,764.85 (New CARES Act lifts PS cap)
Max allowed for Slum/Blight 30% or \$146,505
Minimum of 70% or \$238,055.3 has to benefit LMI

\$425,099 - \$85,020 (Admin) = \$340,079

\$85,020 for Administration of Program
\$216,455 requests for LMI direct
\$63,251 requests in Public Service
\$55,000 request for Slum/Blight

\$340,079 X 70% = \$238,055.3 = Minimum we have to reach to satisfy the 70% Low Moderate Income (LMI) direct benefit
\$340,079 - \$238,055.3 = \$102,023.7 left for Public Service and Slum/Blight.

Options for meeting 70% LMI:

Public Service may count towards LMI direct benefit due to the clients they serve if the agency recipients can provide quantifiable data on their clients served within the grant year.

Examples of Public Service activities that provide direct assistance to LMI clients include:
