 APPLICANT: Resin Architecture
 LOCATION: North of E 8th St, East of S Holmes Ave, South of John Adams Parkway,
 West of Tiger Ave

Business: None

In response to the COVID-19 crises, on March 19, 2020, Governor Brad Little issued a proclamation suspending the portion of Idaho Code 74-203(5) which requires government agencies to allow the public to attend public meetings in person. The purpose of the proclamation was to allow public business to be conducted while also following guidance to limit gathers to 10 or fewer people. The proclamation encouraged, but did not require, public agencies to provide other means of participation. Idaho Falls believes in public participation and has established the following methods of participation:

1. Provide any written testimony to nfoster@idahofallsidaho.gov. Written testimony will be sent to the board and read into the record verbatim during the hearing.
2. If you wish to provide oral testimony, you may do so remotely through a Webex meeting. The Webex will allow you to watch and listen to the hearing, as well as provide testimony. You may participate with a phone or computer, but you must send your email address to nfoster@idahofallsidaho.gov no later than 11:00 a.m. on May 28th so log in information can be sent to you.
3. If you are interested in watching and listening, but not testifying, you can watch the live stream of the meeting at idahofallsidaho.gov.
4. A copy of the above application documents are maintained on file in the Planning Department, City Hall Annex, 380 Constitution Way, Idaho Falls. These items can be provided to the public for review by email. If you would like to review these materials or discuss the application with a Planning Division representative please call 208-612-8276.
5. If a group of residents have similar comments, but wish to provide in person testimony rather than written testimony, it is recommended that the group choose a spokesperson to attend the hearing via Webex and provide those comments while the others view the regular live stream.

Public hearing items are subject to change. If you have interest in a specific item, please contact the Planning Office at 612-8276. If you need communication aids or services or other physical accommodations to participate or access this meeting or program of the City of Idaho Falls, you may contact Ann Peterson at 612-8276 or the ADA Coordinator, Lisa Farris at 612-8323 and every effort will be made to adequately meet your needs.
