~~and inspected to City approved standards, the City of Idaho Falls may reject acceptance of the infrastructure improvements and not provide utility service to the development. Bonneville County shall allow the City to inspect any of the installed infrastructure for compliance.~~

Renegotiation. Renegotiation shall follow the procedures outlined in Idaho Code Section 67-6526.

Periodic Review. Bonneville County and the City of Idaho Falls Planning and Zoning Commissions should meet at least annually and on an "as needed basis" to review growth and development within the area of impact, the City of Idaho Falls, and Bonneville County. At such meetings the Planning and Zoning Commissions may recommend that Bonneville County and the City of Idaho Falls revise part or all of the area of impact agreement or to not revise the agreement. If it is determined by the two Planning Commissions that only minor changes are needed and are jointly agreed to by the two Planning Commissions then a simple hearing schedule process may be used to make those changes (rather than implementing the full renegotiation process).

Severability. The provisions of this ordinance are severable. In the event, any provision hereof is determined to be unenforceable or invalid, such determination shall not affect the validity of the remaining provisions.

Effective Date. This ordinance shall be in full force and effect from and after its execution by both the City and County and passage and publication as required by law.
