2020 Fall Wed/Thurs Softball

Co-Ed softball teams welcome to the 2020 Fall league. Home Team is listed second on the schedule. Home team is responsible for supplying a new men's ball and new women's ball for each game. Visitors are responsible for supplying a playable men's and women's ball. No new inning will be started after 1 hour. All teams will be put into a single elimination tournament at the end of the season. The batter shall assume one ball and one strike count upon entering the batter's box. A courtesy foul ball will be allowed if not caught (only 2 foul balls per at bat, ask umpire for clarification). 20 run rule after 4 innings and 15 run rule after 5 innings. Teams may begin with 8 players and take designated outs. If a team picks up a player(s) from other teams because they are short players, get with umpire and opponents team Capitan to agree to an official game of a forfeit. No alcohol in the parks. Playing intoxicated is not allowed. All players must sign the player roster, including any substitute players (subs) that you may have throughout the year. "Subs" must come sign the roster at the recreation center before playing.

If games are canceled the Team Capitan will be notified via text and email that we have on the roster turned in at the Recreation Center. After 5pm, Umpires will call games at the field. We will not reserve fields for practice. Fields are first come first serve. If a field has been chalked and prepared then there are games on that field and we ask you not to practice on it.

The Recreation Supervisor, Roberto Abreo, can be reached at 612-8319 or rabreo@idahofallsIdaho.gov for questions or concerns. Remember to have fun. The point of this league is to have fun and enhance the quality of life through softball games. Please remember the "fun" aspect of this league when you disagree with a judgment call made by an umpire. Judgement calls are judgement calls and cannot be argued.

BEHAVIOR: A player or fan kicked out of a game the second time will be suspended the next two games. A third time a player or fan is kicked out they cannot play in the league or attend games anymore.

Schedule changes: If you cannot play a scheduled game it is your responsibility to find a team to play in your place. Please let me know who you switched with so I know and can record it. Any game that a team CANCELS 48 hours or less from the scheduled start time will not considered to be made up.
