

SNOW REMOVAL INFORMATION

Keeping our community informed of snow removal operations is very important to us!

When you see two inches or more of snow on the road, think to yourself:

Two inches of snow, here we go!

And then seek additional information:

The City of Idaho Falls uses multiple systems to communicate a snow event and other important information to the community.

We encourage you to sign-up to receive at least two (2) forms of city or media notifications in case we have an unforeseen issue with technology.

- *Text alerts:*
 - *Text the word ifalerts (one word, plural) to 91011*
- *Email alerts:*
 - *Go to www.idahofallsidaho.gov*
 - *Click on the round Notify Me button*
 - *Enter your email address*
 - *Select each type of alert you would like to receive by clicking the envelope next to each category.*
- *Follow the City of Idaho Falls on Facebook and Twitter*
- *Stay tuned to local media (newspaper, television, radio, web)*

● *A Parking Restrictions Snow Event banner at the top of the City of Idaho Falls website will also appear during a snow event. That link will guide you to additional information and instructions.*
