*Working together to protect our community*

## ATTENTION! CITY ORDINANCE REQUIREMENT for Businesses in Idaho Falls

We are pleased to announce the Partners in Public Safety Program which empowers business owners/operators to work with us to proactively protect employees, businesses, firefighters and the public. (See attached letter for details.) The first step in the process requires some information from you. We know that your time is very valuable and appreciate your efforts at making this program successful. Thank you for partnering with us to make public safety a priority!
