Our gym supervisors and officials reserve the right to cancel at any point if parents or coaches become aggressive either physically or verbally. If a game is cancelled at any point, coaches will be allowed to use the gym in the allotted game time for practice and or shooting. Please help ensure that our officials have a good experience.**

Coaches' & Parents'

Code of Ethics

- I will place the emotional and physical well-being of my players ahead of any personal desires to win.
- I will remember to treat each player as an individual, remembering the large spread of emotional and physical development for the same age group.
- I will do my very best to provide a safe play situation for my players.
- I will do my best to organize practices that are fun and challenging for all my players.
- I will lead, by example, in demonstrating fair play and sportsmanship to all my players and the officials.
- I will remember that I am a youth coach, and that the game is for children and not adults.

I understand that breaching any part of the Code of Conduct can result in being removed from the playing area by the umpire/referee or any other employee/designated authority, forfeiting my opportunity to coach or watch the remainder of the game.
