

W 21st St

AV

NORTH PARK DR

CALKINS AVE

TAL

SEPT

This diagram is a detailed site plan or zoning map. It features a grid of lots, each with a unique number. The lots are arranged in a roughly rectangular pattern, with some irregular shapes and setbacks. The map is overlaid with various colored lines and areas, including pink, green, blue, and red, which likely represent different zoning districts or utility boundaries. The streets shown are W 21st St at the top, North Park Dr at the bottom, and Calkins Ave on the right side. A large, semi-transparent watermark reading 'SEPT' is centered over the map. The map also shows building footprints, parking areas, and other site-specific details. The lot numbers range from 1 to 126, with some lots having sub-designations like 1A, 2A, 3A, etc.
