Honorable Rebecca Casper, Mayor  
City of Idaho Falls  
PO Box 50220  
Idaho Falls, Idaho 83405

Handwritten signature in blue ink, appearing to read 'CODY'.

Dear Mayor Casper:

We have completed our recent survey of the Idaho Falls, and advise that the protection class has improved to a class 2 from a former class 3. **These new protection classes will be effective June 1, 2017.**

I wish to thank you, Chief Hanneman, Duane Nelson, Dave Coffey, Jeff Parsons Cody Anderson and David Richards for the courtesies extended to me during my recent visit.

The purpose of our visit was to gather information needed to determine a fire insurance classification which may be used in the calculations of property insurance premiums. This survey was not conducted for property loss prevention or life safety purposes and no life safety or loss prevention recommendations will be made.

This classification applies to properties with a needed fire flow of 3500 gpm or less. The private and public protection at properties with larger needed fire flows are individually evaluated, and may vary from the city classification.

We are enclosing a copy of the Grading point breakdown.

If I can be of further assistance, please feel free to contact me.

Sincerely,

Douglas H. Young  
Senior Public Protection Representative

Enclosure

cc: Dave Hanneman, Fire Chief  
David Richards, Water Superintendent
