

# City of Idaho Falls 2020 Leaf Collection Schedule

November 2, 2020

- B: Oct 19-23
- D: Nov 2-6
- A: Nov 16-20
- C: Oct 26-30
- E: Nov 9-13

**Leaves should be piled on the street next to the curb the WEEK PRIOR to your scheduled collection date.**

Please park vehicles off the street during your neighborhood's scheduled collection dates. Do not pile limbs and branches with your leaves. This schedule will be repeated, weather and time permitting, as the leaves accumulate and conditions warrant. Schedule may vary slightly due to workload.

By City ordinance 8-9-11, property owners must keep their trees trimmed 13' above the street surface at the curb and 15' at the centerline of the street surface. This allows the sweepers room to travel under the trees without damage to the equipment or to the trees. Leaves collected will be made available to the general public as mulch at a later date.
