Second South Boulevard public meeting scheduled for Thursday

Idaho Falls, ID – A public meeting regarding South Boulevard will be held on Thursday, Aug. 15 from 6 p.m. to 7:30 p.m. at the Maeck Education Center at the Idaho Falls Zoo. The meeting will begin with a presentation at 6 p.m.

This is the second of two public meetings regarding the recent changes to South Boulevard. The first meeting was held earlier this summer to gather feedback from residents concerning last year's new road striping and the addition of a center turn lane and bicycle lanes between 17th Street and Sunnyside Road.

Over the last year, the Idaho Falls Public Works Department has been collecting public comments and studying vehicle speeds, vehicle volumes, bicycle and turn lane utilization and traffic incidents along South Boulevard. The results of these studies will be presented on Thursday evening. City staff will be available to answer questions following the presentation.

For those not able to attend the meeting, a copy of the presentation will be made available on the [South Boulevard Project Information](#) webpage following the meeting. The link to that webpage can also be found on the homepage of the city's website at www.idahofallsidaho.gov.
